FIRST DRAFT

JULY 19, 2024

1. INT. TOILET - NIGHT

A lamp lights up the small room.

A cd record is crashed by a fist.

TYLER is laying on the ground, he is a teenager wearing school uniform, has a bang over his forehead. Blood is coming from his nostrils. Around him there are two more students, LILLY and OLIVIA, all wearing white school shirts.

NANA foot rises up and push foreword, to TYLER's belly. Extreme close up of the broken cd record. TYLER SCREAMS.

OLIVIA(V.O.)
Light a cigarette, I want to burn
his forehead.

Close up of LILLY's face, LILLY shows no expression.

OLIVIA
You're a pussy.

OLIVIA pulls a lighter out of her pants pocket. The red flame lights up her face in a second.

2. INT. DORM - DAY

LILLY dashes towards the door, she tries to open it, but drops the card. TYLER is right behind her.

TYLER
Hey.

LILLY
WHAT? I'm not the one who did it. I
mean I'm just listening to
OLIVIA...

TYLER
I want to let you know something.

LOU blinks her eyes.

TYLER (CONT'D)
I have superpower.

Silence.

LILLY
You're crazy as fuck. I'm going.

She finally opens up the door and gets in. TYLER continues and follows her. There's a green apple on the desk.

TYLER

I can write one's name on a notebook, and that person will die. I'm just saying, you should be more careful with me.

LILLY

Have you been watching the DEATH NOTES lately?

TYLER (CONT'D)

Listen, I'm not joking around. See, I can smash this apple with my power. Here, let me show you.

TYLER opens up his arms and spread his fingers towards the apple.

3. INT. TOILET - NIGHT

TYLER's POV. Close up of OLIVIA face, she is smiling in a twisted way.

OLIVIA

Did you say you had superpowers?

QUICK CUTS:

- The lighter
- Scald marks on TYLER's forehead
- TYLER writing the word OLIVIA on a notebook
- LIGHT YAGAMI's face on the computer

END MONTAGE. Sharp noise of tinnitus. Falls to darkness.

4. INT. TOILET - DAY

There are sirens from far to near. There's blood under the open door. Yellow numbers cards and police tapes are on the floor.

Everything is in SLOW MOTION and MUTED. LILLY dashes towards OLIVIA's dead body, shouting but we can't hear a thing. Two girls are holding her back.

5. INT. BATHROOM - DAY

LILLY throwing up in the toilet.

RADIO

A recent murder occurred in a middle school dormitory, the murderer is a classmate, the deceased was stabbed to death...

LILLY whips her mouth, looking straight into the camera.

6. INT. TOILET - DAY

The tap is running, flushing down the blood in the sink. A knife silently stays there. All we could hear was running water.

7. INT. DORM - DAY

The green apple on the table. Not moving an inch.
